

# South Courts

What I love most about South Courts is that it's right next to the gym and Sports Centre.

Being one of the newer accommodations, I have loads of space in my room, an en suite bathroom and the kitchen is a great place to hang out with my flat mates.

Even though it's close to the centre of campus, South Courts is surrounded by loads of green spaces, which is perfect for me to get a morning run in, and it only takes a couple minutes to get to class.

After my studies, sport is the most important thing in my life and Essex has so much to offer.

When I'm not training with my club, I make full use of the gym and studios.

The on-site launderettes are great. I can throw in my gym gear to wash while I cook dinner as they are right next to my flat.

For me, South Courts was an easy choice. It's modern, close to campus and has a great sense of community.
