

Traineeships in Brussels / Strasbourg / Luxembourg

Below you will find the most relevant links to traineeships/stages. Most relate to the EU institutions, but you might also find opportunities at NATO, the Council of Europe (a non-EU intergovernmental body) and in the NGO/private sector interesting as well.

You should make sure that you are aware of the varying application periods and their respective deadlines – some of the traineeships are already open for applications. Also be aware that most EU traineeships (e.g. Parliament, Commission etc) will pay a salary of around 1100 EUR per month. However, some in the private sector and with the Council of Europe will not pay you anything.
