MANAGEMENT CONSULTANCY

MOST MANAGEMENT CONSULTANTS PROVIDE THEIR ADVICE AND EXPERTISE TO ORGANISATIONS SEEKING TO IMPROVE BUSINESS PERFORMANCE, GENERATE GROWTH/VALUE AND SOLVE PROBLEMS.

Management Consultants will work on projects linked to management and operations, strategy or structural changes within an organisation, and will focus on looking at options, solutions and suggesting recommendations for change. Typical employers include: international management consultancy firms, smaller consultancies, major financial organisations, large accountants and banks, manufacturing, healthcare, utilities, charities and education. It is possible for management consultants to be required to work for extended periods, including clients’ own offices or overseas.
