The Entrepreneurship Office develops various activities towards the promotion of a entrepreneurial culture for all of our 18,000 students of our nine schools.

The NOVA entrepreneurship office is responsible for:

- **Office to support the entrepreneur** - to follow your ideas
- **Workshops & Conferences** - to complete your knowledge
- **Starters Academy** powered by NOS - an innovative entrepreneurship academy
- **NOVA Idea Competition** powered by BPI - our business plan contest
Office to support the entrepreneur

Many students, teachers and researchers requested this support ranging from:
- The validation of the idea
- Implementation of business
- Internationalization
- Investment
- The business plan creation
- Access to mentoring
- Contact with partner companies or clients
Workshops & Conferences

Currently, we developed numerous conferences and workshops in order to motivate and encourage the best entrepreneurial practices. To addition to training in entrepreneurship we promote:

• Soft skills and hard skills
• Small programs with a maximum of 3 days
• Great offer in the community
• Creating strategic partnerships
The Starters Academy is an innovative joint initiative of NOS and NOVA University of Lisbon aimed at creating an academy of entrepreneurship to all students of this University, scattered in different schools and campuses.

This academy allows NOVA students to access a range of training courses and programs in order to supplement their academic training, enabling them to become more aware, capable and successful entrepreneurs.
