ESSEX ABROAD

STUDY WITH LINKÖPING UNIVERSITY

What: Summer School

Where: Sweden

When: June - July 2018
Linköping University Summer Academy in Sweden

Linköping in southern Sweden is one of Sweden’s fastest growing cities, with approximately 150,000 inhabitants. High world-class technology, an innovative university and lively trade characterise the city. Linköping’s industry, municipality and the university collaborate closely. Linköping is situated in an inviting landscape of beautiful natural surroundings, and here history and tradition meet creativity and innovation.

This experience gives students an opportunity to study abroad for one month. They have several high-quality courses to choose from and will gain cultural insights together with other international students from all over the world. All courses are taught in English and are full-time.

In 2016, Linköping University (LiU) launched its first International Summer Academy. About 90% of the students who participated in the 2017 student survey stated they would recommend the LiU Summer Academy to fellow students.
