**Your role**

The Intern Group places students and graduates with internships around the world across variety of industry sectors – from finance internships to architecture, real estate, journalism, law, fashion, government, engineering to art, photography and design. Successful applicants are guaranteed a professional internship in their primary or secondary career field of choice. The Intern Group are highly experienced in internship placement and pride themselves on successful matches between their participants and their partner companies. All the companies they work with are extensively vetted to make sure they provide a rewarding internship experience for their talented participants.

Their on the ground team of placement specialists will work closely with you during the process. They will take into account your academic and professional background, career goals, language proficiency, and overall expectations.

**Eligibility criteria**

- If you are 18 years or older, you qualify for our programs. You only need to have graduated from high school.

- The Intern Group programs are also suitable for recent university graduates, MBA graduates and even professionals in transition. The key point is this: every internship sourced is customized for each individual accepted onto our program, and their background/stage of career.

**Dates**

Mostly summer but other dates are available. Check the application deadlines and start dates on the website, as they vary according to each destination.

**How much?**

Depends on the destination:

- 1 month in Hong Kong would be £ 3,655
- 1 month in Shanghai would be £ 3,050
Their programs include much more than a professional internship in your desired career field. You are also provided with high-quality housing, social activities & cultural events, visa assistance, airport pick-up and drop-off, public transportation costs in the destination city, professional career training and full-time local support.

The Intern Group now offer a generous 10% discount on program fees to University of Essex students. Additionally, this year The Intern Group offer 4 grants valued up to $2,500 to ambitious and globally-minded students and recent graduates to take part in their Colombia, Shanghai, Dublin and Australia programmes. The application deadline is 2nd of February 2018. Please have a look at their website: https://www.theinterngroup.com/scholarships
