

# Set up eduroam wifi for iOS devices

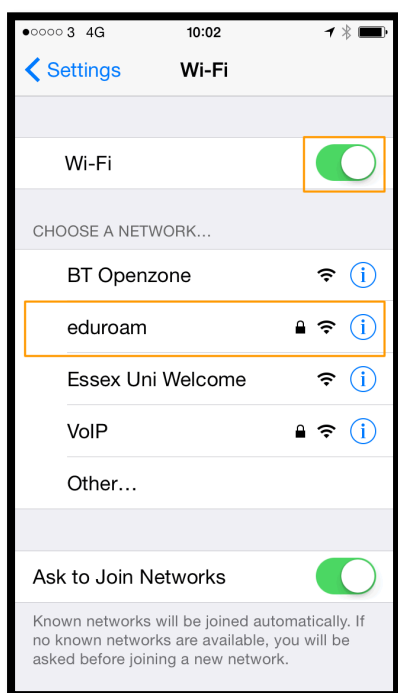

## Manual configuration

---

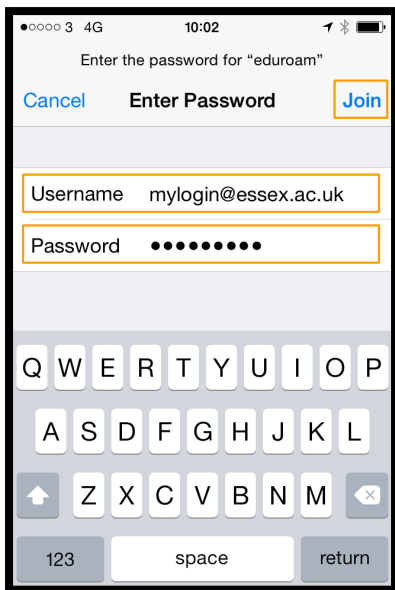

1. Go to your **Settings** app.
2. Choose **Wi-Fi** and make sure it's turned on.

3. Scan for available networks and choose **eduroam** when it appears.

4. Enter your University email address and password.

5. Select **Trust** for the certificate.

6. You should now be connected to edroam wifi.
