

# THE WINSTEN DAY

Wednesday 16 February 2011

**Department of Mathematical Sciences,  
University of Essex**

TIME	EVENT			
12:15-12:45	Registration (LTB 6)			
13:00-13:30	Welcome Talk - Dr Abdel Salhi, Head of Mathematics Taking Further Mathematics in Year 13 – Sue De Pomerai, FMSP			
13:45-14:30	<b>Pythagorean Triples</b> Prof. Peter Higgins TC2.12 + TC2.13	<b>The Joy of Statistics at Essex</b> Dr Berthold Lausen TC2.14 + TC2.15	<b>The shortest distance between two points separated in space and time</b> Dr Andrew Harrison TC2.6 + TC2.7	<b>Optimisation</b> Dr John Ford TC2.8 + TC2.9
14:30-15:15	Break and Team Problem Solving			
15:15-16:00	<b>Pythagorean Triples</b> Prof. Peter Higgins TC2.12 + TC2.13	<b>The Joy of Statistics at Essex</b> Dr Berthold Lausen TC2.14 + TC2.15	<b>The shortest distance between two points separated in space and time</b> Dr Andrew Harrison TC2.6 + TC2.7	<b>Optimisation</b> Dr John Ford TC2.8 + TC2.9
16:00-16:30	Campus tour			
17:00-18:30	<b>The Winsten Lecture</b> Dr Simon Singh Fermat's Last Theorem LTB 6 & 7
