Privacy notice

During the admissions process all information you supply to the University will adhere to the principles set out in its Privacy Notice for Students: https://www1.essex.ac.uk/records_management/policies/students.aspx. This information is only disclosed within the University to members of staff who process your application and to contact you with information relevant to your application. This may include overseas members of staff if your application is made outside of the UK. Failure to provide required data may result in your application not being processed. Where required as part of this process, we will check the accuracy of your data against external sources (for example exam boards or reference providers) and may also confirm your data to other higher education institutions, government agencies or those acting on behalf of the government. If your application is successful and you register as a student, some or all of this information will form part of your student record. If you are unsuccessful in your application or you do not take up an offer of a place, data will be held on our systems for 8 years. Data retention within Admissions is currently being reviewed. If you want to withdraw your application at any stage then please contact pse@essex.ac.uk.
