Trainees who complete stage 1 and need to proceed to stage 2 before the next scheduled Board of Examiners may commence stage 2 on a provisional basis subject to the following condition being satisfied:

Year marks from first and final periods of study are weighted 40 and 60 respectively, and calculated using an arithmetic average of all module marks as follows:

70 and above	Distinction
60-69	Merit
40-59	Pass
Below 40	Fail

6.2 The Certificate of Continuing Education is unclassified. The trainee will receive a transcript of marks.
