- a) where the student has failed a **maximum of 60 credits**, they must undertake the necessary reassessment. The module aggregate mark will be capped at 40.
- b) where the student has failed **more than 60 credits** and has a Year mark greater than 20, they must repeat the Year of study on a full-time or part-time basis for uncapped marks, **or** undertake the necessary reassessment the following Year with the module aggregate mark capped at 40. Students who are studying under a Tier 4 licence will not be allowed to repeat the Year of study on a full-time basis, unless there are substantiated extenuating circumstances which are accepted by the Board of Examiners and the Board believes it is appropriate to offer a repeat Year. However, they will be given the opportunity to study a maximum of 105 credits part-time for uncapped module marks, to retrieve the failure.
- c) where a student has no substantiated extenuating circumstances, they must withdraw from the University in any of the following situations:
  - where the Year mark is **below 20**;
  - where a student was absent from all examinations which were due to be sat in the most recent examination period;
  - where a student cannot complete their studies within the maximum period.

##### **7.1.3 When the Board meets after re-sits/resubmissions are completed, the Board will consider the following options (Boards cannot offer more than three opportunities to undertake the**

Students who are studying under a Tier 4 licence will not be allowed to repeat the Year of study on a full-time basis, unless there are substantiated extenuating circumstances which are accepted by the Board of Examiners and the Board believes it is appropriate to offer a repeat Year. However, they will be given the opportunity to study a maximum of 105 credits part-time for uncapped module marks, to retrieve the failure.

**or**

Note: An undergraduate Board of Examiners will reinstate the module mark for a previous attempt at a failed module if it is higher than the mark for the most recent attempt. This will not apply where students are repeating an entire Year for uncapped marks. In such cases the marks achieved at the end of the repeat Year will stand.
