WELCOME WEEK

Welcome week offers a series of workshops, talks, events and activities for all new students, whatever their stage of study.

DEPARTMENTAL INDUCTION

Your departmental induction is an essential and compulsory part of your first week. It's your chance to find out more about your course, to talk with key members of staff, like your personal tutor, and to meet the friends you're going to be studying with at Essex.

REGISTRATION

To become a member of the University of Essex, and to receive your student ID card, you must attend your departmental registration session. Make sure you register at the right time for your department.

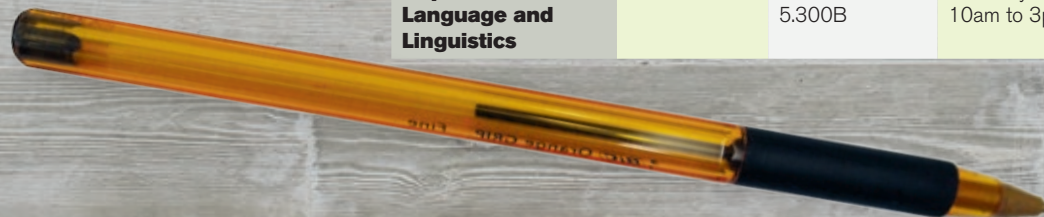

GET INVOLVED

We have loads planned during Welcome Week, including social events, workshops, arts, cultural and sports activities. Find out about the opportunities available at www.essex.ac.uk/welcome/whats-on
