

Welcome

**WELCOME
SOUTHEND
CAMPUS**

University of Essex

WELCOME

Welcome is for everyone, whatever their stage of study, so make sure that you get involved.

Welcome is a vital part of your introduction to Essex, giving you the opportunity to meet staff and students, understand what facilities are available to you, and to generally learn more about your degree, Department/School, and the University.

Each Department/School has its own Welcome programme, which will be given to you at your first point of contact.

REGISTRATION

To become a member of the University of Essex, and to receive your registration card, you must attend your registration session. Please make sure that you register at the right time for your course.

HAVE SOME FUN

Making new friends and spending time with each other is an important part of the Welcome experience, so take advantage of everything that's on offer and have some fun! We have loads planned during Welcome. Take a look at our What's On calendar to find out everything that's going on at our Southend Campus. www.essex.ac.uk/welcome/events
