At the beginning of the year
Are your personal details correct on the Profile Page in LEAP?

Do you know who your personal tutor is?

Towards the end of the year
Looking back over the past year, which indicator most described your engagement?

What could you do next year to help you in your studies?

During the year
How engaged are you with your University studies?

How often are you using the University resources available to you?

Are you attending your timetabled lectures and seminars?
